Peer pressure. Eating disorders. Decisions about love, romance, and sex. Academic demands. Life goals and how to achieve them. These are just some of the challenges that girls face today--and the age at which they encounter them is getting younger and younger. As a parent, how are you guiding your daughter on her journey to womanhood? Are you equipping her to make wise choices? Whether she's still playing with dolls or in the midst of the often-turbulent teen years, is she truly secure in her identity as your valued and loved daughter?
