BOOK SYNOPSIS

Cody Wilson, a self-described crypto-anarchist and rogue thinker, combines the controversial yet thrilling story of the production of the first ever 3D printable gun with a startling philosophical manifesto that gets to the heart of the twenty-first century debate over the freedom of information and ideas. Reminiscent of the classic *Steal This Book* by Abbie Hoffman, Cody Wilson has written a unique, critical, and philosophical guide through the digital revolution. Deflecting interference from the State Department and the Bureau of Alcohol, Tobacco, Firearms and Explosives, the story of *Defense Distributed*—where Wilson's employees work against all odds to defend liberty and the right to access arms through the production of 3D printed firearms—takes us across continents, into dusty warehouses and high rise condominiums, through television studios, to the Texas desert, and beyond. Harkening to both *Zen and the Art of Motorcycle Maintenance* and *The Anarchist Cookbook*, *Come and Take It* follows a group of digital radicals as they navigate political subterfuge to create a technological miracle, against all odds. Combining elements of a modern-day thriller with a fascinating philosophical treatise, Wilson paints a scathing and timely portrait of an ideologically polarized America and his own struggle in the fight for liberty.

COME AND TAKE IT THE GUN PRINTERS GUIDE TO THINKING FREE - Are you looking for Ebook *Come And Take It The Gun Printers Guide To Thinking Free*? You will be glad to know that right now *Come And Take It The Gun Printers Guide To Thinking Free* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Come And Take It The Gun Printers Guide To Thinking Free* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Come And Take It The Gun Printers Guide To Thinking Free* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Come And Take It The Gun Printers Guide To Thinking Free*. To get started finding *Come And Take It The Gun Printers Guide To Thinking Free*, you are right to find our website which has a comprehensive collection of manuals listed.
