BOOK SYNOPSIS

The 100 trails in this book may be the best batch ever put together in one place. Whether you are a newcomer to 4-wheeling or an experienced veteran, you are sure to have fun. In fact, we guarantee it. The Trails are grouped into seven key areas in the heart of Colorado's most beautiful high country. Most are convenient to Denver and the Front Range. A color format makes planning your next adventure simpler than ever. Easy, moderate, and difficult routes are color coded, while symbols quickly show kinds of vehicles allowed on each trail. This includes unlicensed UTVs, ATVs and dirt bikes. A separate mileage log ties numbered locations along the route to a custom map and "Aerial Terrain" view. GPS coordinates are provided for each numbered location. Included are reverse mileages for all trails and historical highlights. All this is supported by an active Web site, which includes free trail updates, GPS downloads and an e-mail newsletter.
