BOOK SYNOPSIS

One man loses everything to magic-and will do anything to prevent it from taking over his world. Magic has never been a part of Reandn's life. Almost gone from Keland when he was born, there is no trace of it left by the time he patrols the Keep lands as an elite King's Wolf. Magic has never been a part of Reandn's life. Until the people under his care start dying. Until the threat extends to his family-and then turns on him. Someone, somewhere, is trying to draw magic back into Keland, and they don't care what-or who-is destroyed in the process. But Reandn does.
