## **BOOK SYNOPSIS**

POLICE ADMINISTRATION, 3rd edition, is a comprehensive yet easy to read, up-to-date introduction to police administration for academic courses and for practitioners preparing for a promotional exam. Practical applications and case studies, usually from specific departments, fully support the theoretical concepts. On the Job boxes highlight insights by working police administration professionals. Court cases are provided throughout to promote understanding of legal concepts which apply to the various aspects of administration. The book's real-world focus, backed up by theory, allows students to understand key issues such as conflict resolution, human resources, budgeting and collective bargaining. Actual documents, materials and forms that are used in law enforcement organizations across the country supplement the chapters, giving another layer to the training provided by this text. Current topics of terrorism and homeland security concerns, along with accountability and management of stress and fatigue are covered to equip students with a complete understanding of the intricacies of Police Administration. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
