BOOK SYNOPSIS

Addiction is an increasing problem in our society. While there are a variety of programs and “steps” that addicts can follow to work towards recovery, there is no rule book for us, the people who are in love with an addict. All of our journeys are different and yet, the same, filled with chaos, uncertainty, and confusion. This book may not hold any magical solutions to your challenges, but it just might provide you with the comfort and companionship that the author longed for when she traveled through life in love with an addict. She hopes her story can be a support for you as you experience the trials and tribulations that come with loving an addict.
