BOOK SYNOPSIS

Richard Pevear and Larissa Volokhonsky, the highly acclaimed translators of *War and Peace*, *Doctor Zhivago*, and *Anna Karenina*, which was an Oprah Book Club pick and million-copy bestseller, bring their unmatched talents to *The Selected Stories of Anton Chekhov*, a collection of thirty of Chekhov's best tales from the major periods of his creative life. Considered the greatest short story writer, Anton Chekhov changed the genre itself with his spare, impressionistic depictions of Russian life and the human condition. From characteristically brief, evocative early pieces such as "The Huntsman" and the tour de force "A Boring Story," to his best-known stories such as "The Lady with the Little Dog" and his own personal favorite, "The Student," Chekhov's short fiction possesses the transcendent power of art to awe and change the reader. This monumental edition, expertly translated, is especially faithful to the meaning of Chekhov's prose and the unique rhythms of his writing, giving readers an authentic sense of his style and a true understanding of his greatness. From the Trade Paperback edition.
