BOOK SYNOPSIS

Greydon has two important missions: Find his brothers and rescue his people. His duty becomes complicated when he's forced to beg a human to save his life. Aimee Jarvis always considered her bookstore a detour to bigger things. Little did she realize her next stop would be the intriguing world of a demon prince. Yet, she finds the dangerous Greydon alluring. While their attraction continues to burn, they both deny what their hearts already know. It will take the mystery of an ancient civilization and a shocking discovery for them to admit their desire.
