## BOOK SYNOPSIS

Way better than a cupcake, these omnivore and vegetarian slider recipes include limitless ingredient and flavor combinations just waiting to be squeezed between two buns. Sliders are the perfect bite that can be served as an appetizer, tapas, entrée, side, or midnight snack. The Slider Effect focuses on these amazing, handheld mini sandwiches featuring more than 75 recipes and 65 delicious photographs designed to turn you into a slider pro. The opening chapter begins with slider pantry basics, followed by four main chapters that focus on meat, poultry, seafood, and vegetarian sliders. In the Meat chapter you'll find recipes for Grilled Steak and Potato Sliders as well as Mediterranean Lamb Sliders. The Poultry chapter will introduce you to Turkey-Bacon BLT Avocado Sliders and Chicken Curry Sliders. The Seafood chapter ranges from Fish and Chips Sliders to Shrimp Fajita Sliders. And in the Vegetarian chapter you'll find tiny buns filled with roasted beets, eggplant, polenta, and black beans. If you like making your own rolls, there are recipes ranging from biscuits to challah and from waffle to pretzel buns. And what slider would not be complete without a dab of Cilantro, Lime and Green Chile Aioli or Arugula Pumpkin Seed Pesto on top? There is no end to what you can make work in a slider!

**THE SLIDER EFFECT YOU CANT EAT JUST ONE!** - Are you looking for Ebook The Slider Effect You Cant Eat Just One!?
