BOOK SYNOPSIS

In *Wake-Up Call: How I Changed My Life and Business--and You Can Too*, Harvey Bookstein reveals the secrets behind Therapeutic Accounting(r), his innovative and holistic approach to business. But Harveys story isnt just about business: its about living a full life while achieving success in the workplace. In 1975, Harvey co-founded RBZ, a company that would become one of Los Angeles largest and most highly respected public accounting firms. Along the way he evolved from an unhappy workaholic with a narrow perspective and dysfunctional family, into a complete, balanced human being who is more self-aware, more capable of giving and receiving love, and more fulfilled than he ever knew was possible. Now the Managing Visionary Partner for RBZ, Harvey Bookstein is a revered and creative figure in the industry. *Wake-Up Call* tells Harveys story in his own words: the unvarnished truth of how a workaholic changed his life, fixed what was broken, and discovered a few simple truths. This book shines a bright light on the values and principles Harvey Bookstein learned over a lifetime and continues to practice. Whether youre interested in his personal life, or seeking a new vision for your own, *Wake-Up Call* has much to offer.
